

Press Note

9th June 2021

Govt Degree College Khad, Distt. Una organised a one-day online workshop on the theme 'Psychosocial Support for Covid Pandemic Conditions' in collaboration with Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Higher Education, Ministry of Education, Govt. of India on virtual platform through Google Meet App on 9th June 2021 from 10.00 AM to 11.30 AM.

Workshop was highly interactive and approximately Ninety students participated in it along with Principal and faculty members of the College.

Speaker of the workshop was Sh. Samarth Sharma, Consultant, MGNCRE. The Speaker interacted with participants and shared information on various skills, which one can use to help the COVID-19 patients, and in general. The participants also shared their ideas with the speaker, which make it more interactive. Main idea of the workshop was to use various skills to reach out to the individuals and social communities as well in this pandemic time especially who are fighting with COVID-19. Ideal behaviour of various soft skills were exemplified by the speaker like communicating with the COVID-19 patients empathetically, like sharing the information of medical essentials, giving emotional support, providing help through NGOs, sharing the information of COVID-19 helpline numbers etc.

Principal of the college, Dr. R K Sharma encouraged students and faculty members to develop such skills to help people. The workshop came to end with a vote of thanks by Prof. Ravi Raj.
