College Profile

Situated in the beautiful lush green valley formed by the River Swan 7 overlooking the picturesque Shivalik Hills, Govt. Degree College Khad in Una is located on the Una-Gagrate highway about 20 kms. from Una. The popular demand of the masses, social activists, intellectual and philanthropists of the area culminated in a fruitful manner when the state cabinet acceded to the request and a notification was issued in May 2016, facilitating the opening of this college.

A piece of land measuring approximately 35 canals was identified, earmarked and transferred in the name of this College, the foundation stone of the building block was laid by the Chief Minister on 22nd November 2016. The new college building is expected to be ready in this session. The location of this college on a strategic place of a State highway is an added advantage for the students who can commute through various means of transport.

It is worth mentioning that this place is popularly known for producing great football players who have represented their teams at national & international level. The college would provide all such potential athletes a platform where they can enhance their skills to achieve their dreams without having to move to far off colleges. In addition to that, the poor, deprived and under privileged, who earlier were unable to go for higher education due to financial constraints,

are highly benefited. Besides, the College will also prove to be a boon for the girl students residing in the rural area, who could not pursue further studies after 10+2 as there was no college situated nearby. As such this college at Khad caters to the needs of so many students coming from over 100 villages situated in the vicinity of this place.

The College offers Bachelor of Arts (Pass) course and Bachelor of Commerce (Pass) course. The teaching would become commence with effect from 16th August 2021 in the campus of Pt. M.L.Dutta Memorial Govt. Senior Secondary School, Khad.

Meaning of Disaster Management

A disaster relates to catastrophe, plunged into helplessness, suffering from main cause of natural disaster affecting community. Disaster managements are essential process of planning, organizing, coordinating and implementing measures which are important or beneficial for:

- Prevention of any kind of disaster
- alleviation
- managements, to enhance capacity building
- quick action Response
- measuring the disaster
- Evacuation, rescue, rehabilitate
- Reestablishment

Objective of Disaster Management

First, the college falls in circle 5 seismic Zone. The area is also affected by winds/ thunderstorm. This affects the life and property of the institution, therefore the plan is necessary for pre, during and after the disaster and actions to be taken.

Secondly, for the fire break out internal-external, to deal with the situation accordingly.

Third, the road safety to avoid accidents on road side.

Fourth biological disasters due to COVID-19.
