1. INTRODUCTION OF THE COLLEGE

Situated in the beautiful lush green valley formed by the River Swan and overlooking the picturesque Shivalik Hills, Mohan Lal Dutt Govt. College Khad is located on the Una-Gagret highway about 20 Km from Una. The popular demand of the masses, social activists, intellectuals and philanthropists of the area culminated in a fruitful manner when the Govt. acceded to the request and a notification was issued in May 2016, facilitating the opening of this college.

It is worth mentioning that this place is popularly known for producing great foot ball players who have represented their teams at National and International level. The college would provide all such potential athletes a platform where they can enhance their skills to achieve their dreams without having to move to far off colleges. In addition to that, the poor, deprived, and under-privileged, unable to go for Higher Education due to financial constraints, will be highly benefitted.

The College provides holistic education aimed at creating responsible and empowered citizens. It offers two courses at undergraduate level – Bachelor of Commerce and Bachelor of Arts, affiliated with Himachal Pradesh University, Shimla. The College has recently shifted to its own beautiful and spacious campus.

OUTLINES OF UGC CHOICE BASED CREDIT SYSTEM

2. Core Course (12 papers for regular courses): The Papers under this category are going to be taught uniformly across all universities with 30% deviation proposed in the draft. The purpose of fixing core papers is to ensure that all the institutions follow a minimum common curriculum so that each institution/University adheres to common minimum standard. Also the course designed for papers under this category aim to cover the basics that a student is expected to imbibe in that particular discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

3. Elective Course: Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides an extended scope or which enables an exposure to some other discipline/ subject/ domain or nurtures the candidate's proficiency/skill is called an Elective Course.

Discipline Specific Elective (DSE) Course (4 papers for regular courses)

Elective courses offered under the main discipline/subject of study are referred to as Discipline Specific Elective. The list provided under this category are suggestive in nature and each university has complete freedom to suggest its own papers under this category based on their experience, specialization, requirements, scope and need.

The University/Institute may also offer discipline related Elective courses of inter disciplinary nature (to be offered by main discipline/subject of study).

Dissertation/Project*: An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.

Generic Elective (GE) Course (2 each for B.A./B.Com. regular courses) : An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore discipline of interest beyond the choices they make in Core and Discipline Specific Elective papers. The list provided under this category is suggestive in nature and each university has complete freedom to suggest its own papers under this category based on its expertise, specialization, requirements, scope and need. **P.S.:** A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and *vice versa* and such electives may also be referred to as Generic Elective.

Ability Enhancement Course (AEC): The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement

Courses (SEC). "AECC" courses are the courses based upon the content that leads to Knowledge

enhancement. These are mandatory for all disciplines. SEC courses are value- based and skill- based and are aimed at providing hands-on-training, competencies, skills,

Ability Enhancement Compulsory Courses (AECC):(2papersforregular courses)

i) Environmental Science

ii) English Communication/ Hindi Communication/MIL/Communication.

Skill Enhancement Courses (SEC) (4papersfor regular courses): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain theory and lab/ hands-on/training/field work. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employ ability. The list provided under this category is suggestive in nature and each university has complete freedom to suggest its own papers under this category based on its expertise, specialization, requirements, scope and need.

4. Practical/tutorials (One each with every core and discipline/generic specific elective paper): The list of practicals provided is suggestive in nature and each university has the freedom to add/subtract/edit practicals from the list depending on their faculty and infrastructure available. Addition will however be of similar nature.

Annual System

Academic year comprising 180 working days. With six working days in a week this would mean that each academic year will be having $180/6=30$ teaching/working weeks. Considering that each teaching day has 5 teaching / working hours, a teaching week would have $5 \times 6=30$ working/teaching hours and each academic year will have $30 \times 30=900$ teaching hours available for each student.

A candidate has to opt for eight (8) subjects, to be studied throughout the year. In order to be promoted to next year of the course, it is compulsory to pass in minimum six (06) subjects with 35% marks in term end/Internal assessment, with 40% in aggregate, is the basic condition to be declared passed in the subject.

Credits

The term 'credit' refers to the weight age given to a course, usually in terms of the Number of instructional hours per week assigned to it. This explains why they are usually called credit hours'. The credits also determine the volume contents and delivery of programme such as lectures, tutorials, practical, assignments etc.

For the purpose of credit determination, instructions divided in to three components:-

(a) Lectures (L):

Class room lectures of one hour duration.

(b) Tutorials (T):

Special, elaborate instructions on specific topics (from Lectures) of one hour duration.

(c) Practical (P) :

Laboratory or field exercises in which the student has to perform experiments or other practical work of two hour duration.

Each one of these components is considered as equal to one credit. One lecture (L) as well as one Tutorial (T) of one hour a week is considered as one credit, whereas one Practical (P) of

two hours a week is considered as one credit. The total weightage given to a course in terms

of credits will be equal to $L+T+P$, where L is the number of one hour Tutorials per week, and P is the number of two hour Practicals per week. This can be written in symbols as: $C=L+T+P$. Where, C is the credit weightage for a particular course.

The total minimum credits required for an under graduate degree programme is one hundred thirty two.

7. STUDENT'S CONTINUOUS COMPREHENSIVE ASSESSMENT & EVALUATION

All courses involve an evaluation system of students that has the following two components:

- Continuous Comprehensive Assessment (CCA) accounting for 30% of final grade.
- Annual examination accounting for 70% of the final grade.

In practical subjects, practical exams will be of 20% and annual examination of 50% weightage.

CCA Scheme

CCA will account 30% of total marks i.e. 100, which a student will get in a course. The breakup of 30% i.e. 30 marks is given as under:

- | | |
|--|----------|
| ➤ Minor test(Class test for 5 marks+House test for 10 marks) | 15 marks |
| ➤ Assignments/seminars/class test/tutorials/quiz | 10 marks |
| ➤ Attendance | 5 marks |

(A) Mode of conducting Minor Test(15Marks) will be as under:-

Class room tes tafter completion of the 40% of syllabus.

House Test will be conducted after the completion of 75% syllabus.

(B) Distribution of marks for evaluation of Tutorial/Home Assignment etc.:-

5 marks are assigned for the quality of contents and structure of the assignment.

5 marks are assigned for the clarity of language of the spirit (Hindi/English)and its presentation in the class room.

Total marks $5+5 = 10$ marks

(C) Classroom Attendance

Each student will have to attend a minimum of 75% Lectures/ Tutorials/ Practicals. A student having less than 75% attendance will not be allowed to appear in the annual examination. Those having greater than 75% attendance will be awarded CCA marks as follows (out of 5):

- 75% to 79% - 1 mark
- 80% to 84% - 2 marks
- 85% to 89% - 3 marks
- 90% to 94% - 4 marks
- More than 95% - 5 marks

A student will have to pass both the components i.e. CCA and EYE (End Year Examination) separately (with at least 40% marks EACH in CCA, practical and EYE) to become eligible to be declared successful for the course.

Significant Notes

1. The prescribed credit weightage includes Lecture, Tutorial, and Practical components.
2. In the first semester, students will be offered three different subjects within the same stream: A, B, and C (Core and Minor are provided here for illustrative purposes only).
3. At the end of the second semester, each student may choose one of two programmes: the Multi- Disciplinary/Interdisciplinary or Single Core Discipline (Major) programme. The student choosing the latter will be required to give his/her Major and Minor at the end of the second semester. Such choices, including DSCs made at the end of the second semester, shall remain in effect until the VI semester.
4. Additional Seats: The Colleges may create 10% extra seats over and above the sanctioned strength to accommodate the request for a change of major. Any unfilled or vacant seats may be filled with those seeking a change of Major. Preference will be given to those with the highest CGPA and no arrears in the first year/semester.
5. The DSCs of another discipline for the first two semesters of students who opt for Major programmes will be treated as Minors.
6. A DSC offered in one discipline will be treated as a Minor by another. Students can choose Minor Courses from two different subjects, but must earn a minimum of 12 credits in each.
7. MDCs must be selected from a broad discipline/pool of MDCs other than Major and Minor subjects.
8. AEC/VAC/SEC-3 should be chosen from a pool of courses. Every discipline shall provide these courses, some of which will be offered discipline-specific, while the rest can be open to students of all other disciplines. However, the two SECs (SEC-1 & SEC-2) must be chosen from the discipline-specific (Core and Minor).
9. A maximum of two language courses can be opted for as Core and Minor. AECs should be in a language other than what is studied in DSCs/Minors.
10. I/A/P/C will be determined at the end of the first semester to enable students to carry out some I/A/P/C activities during winter vacation.
11. To pursue an Honour degree in the 4th year, students will have to choose only one discipline in both semesters, in which she/he have studied 6DSCs and 5DSEs in the first three years.
12. A student who secures 75% or more marks in aggregate till semester 6 (up to a 3-year degree) shall be eligible for a 4-year degree Honours with Research, provided HPU has approved the college to offer it.
